I love SJE ...because it provides a loving and supportive community. We have students and teachers who care about each other, and we get to build lasting friendships with one another. We also have the opportunity to learn about our faith and deepen our relationship with God. SJE values kindness, compassion, and respect. We encourage students to treat others with love and respect and to make a positive difference in the world.

We go above and beyond...should be our unofficial motto! We are dedicated to providing an exceptional learning experience for each and every student. To help accomplish that goal I'm involved in many activities that foster student growth. I'm a Eucharistic Minister at school Masses. I serve on the Leadership Team. I'm on both the Catholic Schools Week and Tutor Club Committees.

Learning is Fun...From reading captivating stories to performing mind-boggling science experiments, every day will be filled with activities that will not only expand knowledge but also ignite curiosity. Together, we'll embark on a journey of curiosity and imagination, making every day a new opportunity for growth and excitement.
